scoring.**

**Solved by
Open Banking.**

**CREDIT
PASSPORT®**

What is Credit Passport®?

The most accurate view of an SME - in real-time.

Credit Passport® empowers our partners to build on trust, and deepen the relationship with their SME customers.

Easy to understand

Instantly recognisable rating scale to communicate to your customers.

...yet powerful

Constructed around international banking standards to give an accurate and meaningful indicator of risk.

Main features

- Assess SMEs quickly and fairly
- Monitor changes in financial health
- Boost customer retention
- Provide a value added service
- Data rich output, including spending, KPIs and credit score
